

GIVE THEM

the joint and mobility support they deserve

The National Animal Supplement Council (NASC) Quality Seal identifies companies that go the extra mile to ensure quality to promote the well-being of companion animals. We are committed to upholding this seal and providing high-quality products your pets deserve.

CAUTIONS: Safe use in pregnant animals or animals intended for breeding has not been proven. If lameness worsens, discontinue use and contact your veterinarian. Administer during or after the animal has eaten to reduce incidence of gastrointestinal upset.

WARNINGS: For animal use only. Keep out of reach of children and animals. In case of accidental overdose, contact a health professional immediately.
